REQUEST FOR CERTIFICATE OF CORRECTION – APPLICANT MISTAKE

Dear Sir:

Upon further proofreading the sealed patent, the patentee noticed an additional error in the printed patent due to a mistake by the patentee. In accordance with 35 U.S.C. § 255, patentee requests a Certificate of Correction.

This error occurred in good faith and correction of the same would not involve changes in the patent that would constitute new matter or would require reexamination. Specifically, there is a spelling error in the title of the patent.

Enclosed herewith is a proposed Certificate of Correction incorporating an amendment to correct the error, along with a check in the amount of \$100.00 to cover the cost of the Certificate.

The patentee respectfully requests the granting of a Certificate of Correction.

Respectfully submitted,
